

In Recognition of  
National Employment Disability Awareness Month the  
Northeast Region Equal Employment Opportunity Diversity  
Advisory Committee, in cooperation with the MA Division of  
Marine Fisheries presents...

a presentation on **Hidden Disabilities by cognitive  
behavioral therapist, Dr. Lynn Serper.**

**Hidden disabilities such as traumatic brain injury, mental illness, cancer and AIDS, although not always visible, can cause functional limitations. Accommodating hidden disabilities can keep valued employees on the job.**

**Tuesday, November 15, 1:30 - 2:30 PM.**

**Annisquam Marine Fisheries Station**

**Emerson Avenue, Gloucester**

Van service to and from the event is provided.

Meet in front of the Blackburn office at 1:00
